ABOUT

Mounties Group

On 19 February 1960, a small group of local families met around a dining table in Cabramatta to discuss opening a social enterprise that would generate an income, make a profit and then use the profits generated to improve the lives of their families, friends and neighbours.

Their concept became an organisation in the form of a registered club in 1968 with an official opening held on Saturday 22 June of that year. We have always been a business that involves with the needs of our members. Over the years this willingness to change has seen us grow from a small army hut in South West Sydney which held nothing more than a bar, a pool table and library into today's reality of the largest registered club group in Australia.

The journey has not always been easy, we too have faced our challenges. From our early days in 1968 when we faced penalties and backlash from the government for treating women as equal members of the Club, to more recent challenges of a worldwide pandemic, we continue to succeed due to the support and loyalty of our members.

Today, Mounties Group is the largest and most successful club group in Australian history. We retain our original ethos "to improve the lives of our members" but the manner in which we deliver this purpose has evolved into meeting the needs of our members today in modern society.

OUR MISSION

To improve the lives of our members.

OUR VALUES

Family | Loyalty | Fun | Care | Honesty | Innovative | Outcome Drivers

WE ARE UNIQUE

WE ARE UNLIKE ANY OTHER CLUB IN AUSTRALIA.

The profit we make, is given back to our members and local community to improve their lives. Whether that be through donations to local community groups, building infrastructure in our local communities, supporting employment for 3,000 people, subsidising health programs, or providing a hub for social inclusion.

OUR Investment in Community

(For every dollar our members spend)

16%
COMMUNITY FACILITIES AND SUPPORT
 \$10 million in direct community support
 \$3 million spent on social inclusion programs
 \$900,000 in sponsoring local sporting teams

27%

FOR OUR COMMUNITY

Clubs in NSW with a gaming revenue of more than \$1 million are required to either donate to ClubGRANTS or provide the same amount in tax.

At Mounties, this year we had a requirement to pay \$2 million in ClubGRANTS but as always, we far exceeded the expectation placed upon us and paid \$4.7 million in ClubGRANTS support. Additionally, we granted \$5.3 million in other donations, sponsorship and community support and gave more than \$10 million in direct community support.

This clearly shows that when local community volunteers sit on the Board of their local registered club, a local community group coming direct to their club in a time of need, gain more support than through any other channel.
